

Family Ties

MARCH 2010

A newsletter for the friends and families of residents at Willow Brook Christian Home

Here comes Peter Cottontail,
Hopping down the bunny trail,
Hippity Hoppity
right to Willow Brook!

You are invited to our annual Easter egg hunt.
The hunt will begin promptly at 2:00 p.m.
Saturday March 27, 2010.

The hunt will be followed by some games
for all the girls and boys
and a short party.

Please R.S.V.P. to the activity office at
(614)898-3455

A Big Thank You

A huge thank-you goes to the maintenance staff at all three campuses, whose dedication and commitment to our safety has been repeatedly tested this winter. They, their plows, and their shovels have performed spectacularly, and we are grateful.

Gift of Love Award

Every year Willow Brook presents the Gift of Love Award to a volunteer or group from each of our campuses in appreciation of that person's special gifts of time and caring. Do you know a volunteer who deserves special thanks? Then nominate her/him/them! The nomination form is enclosed or nomination forms are available at the front desks. The awards will be presented at Willow Brook's volunteer reception.

New Providers

Beginning in April, we will have a new provider in our building for ancillary services. Onsite Healthcare provides optometry, podiatry, dental, and audiology services right here in the facility. You can learn more about Onsite Healthcare at their website:

<http://onsithehealthcare.com>

We Are Healthy Now

As most of you know, in February we had a gastroenteritis virus pass through our facility. These types of viruses are highly contagious. We truly appreciated everyone's cooperation in restricting their visits during that time. Here at Willow Brook we value you and your loved one's health. As a reminder, if you are feeling ill please refrain from visiting until you are well. Just call the building anytime and our staff will update you about your loved one.

Just a Reminder

If your loved one's insurance plan changes please bring in new cards so we can copy them for the nursing, accounting, and administrative staff.
