## Retire with us

The first thing you notice when you turn off the highway into a Willow Brook Christian community is that you have just entered a very special place.

You ease down a hill, curve around trees and a stream, pass over bridges, and view lovely twin-single homes that have lots of space between them, just for breathing room.

The neighbors will probably give you a friendly wave.

When you enter the apartment Commons at Willow Brook Christian Village or Village Square at Delaware Run, you feel you are stepping into a gracious and welcoming place, one that cares first and foremost about *you*.

Willow Brook has all the amenities you expect from a first-rate retirement community – fitness center, library, hair salons, numerous gathering areas, priority access to the health care center when

*The best part of Willow Brook life is the sense of community you feel from the moment you walk in the door.*

needed, and a variety of floor plans and prices.

But the hallmarks of every Willow Brook Christian community are the features that set us apart from the rest:

- Simplicity and oneness with nature and the land
- A sense of fellowship and belonging
- A dining program in which our chefs take familiar foods and turn them into dishes that are mouthwateringly extraordinary
- A not-for-profit, Christian organization that values service over profits
